

West Chester Soccer Club

Weather:

- Coaches are not permitted to cancel a game.
 - Cancellations come at the discretion of the club officials.
 - Please contact [WCSC with any questions.](#)
- **Hotline is (513) 777-1325**
- Please check the hotline if there are storms in the area or if it has rained in the last 2 hours to see if the Hopewell fields are in playing condition.
- We try to update the hotline by 4:00 pm on weekdays and 7:00 am on weekends and will give final updates as needed after those times, as needed.
- In terms of thunder and lighting during a league/club scheduled game, the game officials/referees are required to stop games as soon as the game official sees lighting or the game official hears thunder.
 - Everyone should leave the field and seek shelter in cars or closed buildings, immediately
 - The plan is to wait thirty minutes from the last seen lighting or last heard thunder before returning to the field
 - For each new occurrence of thunder or lighting, thirty minute wait must be restarted
 - The referees or league officials can call a game complete after half time and if lighting continues
 - Practices should follow the same guidelines
- Please note that the opening or closure of VOA or Keehner is a Parks decision.
 - VOA Park is managed by Metro Parks
 - Hotline is (513) 755-440
 - Keehner is managed by West Chester Township
 - Contact at 513-777-5900
