Team Page Features

- Team Pages are part of the Cornerkick SAY Player Registration and Team Management system adopted by WCSC
- Each Team entered in the system is assigned a “mini” web site or “Team Page”
- The Team Page can be used to quickly and easily communicate information to your parents and players about upcoming practices, games, etc.
- Information is posted to your web site by completing forms - you do not have to know HTML to post information (although you can use HTML to format your pages)

Team Page

- Each Team Page can have its own unique appearance including fonts, colors, etc.
