

West Chester Soccer Club

I signed up to be a head coach – now what?

Once you receive your roster – please make contact with your players' parents and your coaching team!

How do I reserve a field for practice?

- WCSC does not schedule practice times or locations for teams.
- VOA & Keehner & Beckett Park all have reserved space for the club to use.
 - Please share the space – work with each other as we are all trying to accomplish the same thing.
- HyCrest swim club has some space available for a rental fee – email Vanessa at ohnordmarks@fuse.net
- Area parks, businesses, churches and schools have open green space – work with them to secure.
- Hopewell is reserved for club and Lakota East scheduled games and scrimmages only.
- Most popular locations have insurance on-file from the spring season – if you need a copy – let me know.

Practice can begin on August 1
