## WCSC Reschedule Procedures

The rescheduling of games affects many people and takes time.

**Reschedules** - must be communicated between district representatives.

- District Reps will contact opposing district/area representatives to arrange the reschedule, when appropriate.
- **Coaches must contact their own district rep, not the other coach.**
- Coaches: Please contact Connie Murley at [info.wcsc@gmail.com](mailto:info.wcsc@gmail.com)
  - Please include the reason for request
    - Keep in mind that not all reschedules can or will be approved
    - Requests must come at least 10 days in advance of the scheduled game via email.
  - You need to determine 3 alternative nights that will work for your team.  
ALL the required details:
    - Reason for reschedule
    - Your information: include team's gender & division
    - Original game date and location
    - Three alternative dates
    - Opposing coach and contact information
  - If approved:
    - WCSC District Rep will then contact the other club's District Rep after gathering and the schedulers to determine

FYI:

- If approved and you are the visiting coach -- bug the heck out of the home coach until it gets rescheduled.
- If they are having problems getting fields - Marcie be able to secure a field at Hopewell - they would need to bring their own referees or pay ours the WCSC rate.

As a reminder, not all requests can be approved

513-777-1325

WCSC Weather Hotline is updated by 8am Saturdays, 11am Sundays, 5pm weekdays.  
Should conditions change closer to game time – WCSC Board or WCSC Referee will determine.
